

Bright lights, big city.

Home learning

This term we continuing our learning all about London.

Pick one square each week to complete for home learning and colour it in. Remember to read every day please.

Can you complete all the squares?

Use your toys to show different ways of making 20.

Can you find London on a UK map?

Find natural objects such as leaves and twigs to create a picture.

Can you locate 5 different landmarks on a map of London?

Create your own dance move and share the video on Dojo.

Find your house using Google Maps.

Count how many cars you can see on the way home from school. Which colour has the most and why?

Plant a seed in a pot or in your garden. Watch it grow and see how it changes!

Draw a picture of a healthy dinner you have eaten.

Write a list of adjectives to describe a London Landmark.

Find 3 facts about Florence Nightingale.

After completing an activity colour in the square.

1 sticker per task you complete.
