The expectation for the home learning is that your child will read **every day** and access **Times Table Rock Stars** at least **once a week**. Children can then also select at least one activity or as many as they like to complete each week. After completing an activity put a cross over it to show that you have completed it. You can bring any homework into school to share with your teachers, we would love to see it, or upload onto Class Dojo where we can also see it.
