INFANT ACADEMY

Tapestry

All Reception parents have the opportunity to download their child's Tapestry Journal. Mrs Turner, Miss Lever-Jones and Miss Pearson will not be loading anything onto Tapestry as from 6th July.

We are asking all parents who wish to download items please do so between 7th July and 16th July. Access to your child's Tapestry will expire on Friday 16th July 2021 at 12 noon.

We have included in this letter instructions on how to download any observations you would like to keep. This is fairly straight forward. They can easily be downloaded in PDF format and then printed at home if you wish.

If you have any issues or no access to a computer please contact us by Wednesday 14th July 2021. Any requests after this date cannot be guaranteed to be fulfilled.

Instructions:

1. Log onto Tapestry with your username and password
2. Select observation that you would like to download
3. On the right hand side click onto Export
4. Click download PDF

If you do wish us to print items for you, there will be a charge to cover printing costs which must be paid before your items are printed.
