

Expressive Arts and Design – Autumn 2
Seasonal crafts: Sliding pictures

	<p>Previous Learning / sticky knowledge</p>	<p><u>This unit:</u> Physical development Develop small motor skills so that they can use a range of tools competently, safely and confidently. <u>ELG: Fine Motor Skills:</u> Use a range of small tools, including scissors, paint brushes and cutlery.</p> <p>Expressive arts and design Explore, use and refine a variety of artistic effects to express ideas and feelings. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively, sharing ideas, resources and skills. <u>ELG: Creating with Materials:</u> Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. <u>ELG: Creating with Materials:</u> Make use of props and materials when role playing characters in narratives and stories.</p>		
	<p>Curiosity questions</p>	<p>Substantive knowledge</p>	<p>Disciplinary Knowledge</p>	<p>Key Vocabulary</p>
<p>Wk 1</p>	<p>How can I make a picture move?</p>	<p>Exploring mechanisms, using guides to control the movement. Making verbal plans and material choices. Improving fine motor/scissor skills with a variety of materials. Joining materials in a variety of ways (temporary and permanent). Joining different materials together. Giving a verbal evaluation of their own and others' sliding picture with adult support.</p>	<p>To know that a mechanism is the parts of an object that move together. To know that a slider mechanism moves an object up and down. To know that a slider mechanism has a slider, slots, guides and an object. To know that guides are bits of card that purposefully restrict the movement of the slider.</p>	<p>sliding mechanism sliding picture Christmas Santa Father Christmas chimney collage wide long width length permanent join temporary join</p>
	<p><u>Retrieval Practice Questions</u> Last week: Last term: What is a junk model? Last year:</p>			
<p>Wk 2</p>	<p>Can I make my picture move in a different way?</p>	<p>Exploring mechanisms, using guides to control the movement. Making verbal plans and material choices. Improving fine motor/scissor skills with a variety of materials. Joining materials in a variety of ways (temporary and permanent). Joining different materials together.</p>	<p>To know that a mechanism is the parts of an object that move together. To know that a slider mechanism moves an object side to side.</p>	<p>sliding mechanism sliding picture Christmas Santa Father Christmas</p>

		Giving a verbal evaluation of their own and others' sliding picture with adult support.	To know that a slider mechanism has a slider, slots, guides and an object. To know that guides are bits of card that purposefully restrict the movement of the slider.	chimney collage wide long width length permanent join temporary join
<u>Retrieval Practice Questions</u> Last week: What is a sliding picture? Last term: Show me how you safely use scissors. Last year:
