

Geography – Year 1 – Spring – What is the weather like in the UK?

	<p>Previous Learning / sticky knowledge</p> <ul style="list-style-type: none"> • Know the name of the town and country that they live in. • Be able to find England on the World Map. • Can compare England to another country. • Know what a map is and what a map is used for. • Able to discuss features of the local park. • Know the four seasons and be able to explain what the current season is. • Be able to discuss the weather and seasonal changes. • Know what an aerial view map is. • Know what symbols on a map are used for. • Be able to draw and label their own map. • Be able to use directional language to describe features on a map. • Recognise basic human and physical features in their local area • Recognise basic human and physical features on a map. 			
	Curiosity questions	Substantive knowledge	Disciplinary Knowledge	Key Vocabulary
Wk 1	<p>Where is the UK?</p> <p><i>LI: To locate the four countries of the UK.</i></p>	<p>Locational Knowledge</p> <ul style="list-style-type: none"> • To know that the UK is short for ‘United Kingdom’. • To know that the United Kingdom is made up of four countries and their names. • To know the name of the country they live in. 	<p>Locational Knowledge</p> <ul style="list-style-type: none"> • Showing on a map which continent they live in. • Locating the four countries of the United Kingdom (UK) on a map of this area. • Using an atlas to locate the UK. • Using an atlas to locate the four countries in the UK. <p>Geographical Skills and Fieldwork</p> <ul style="list-style-type: none"> • Using an atlas to locate the UK. • Using an atlas to locate the four countries in the UK. 	<p>Map</p> <p>Location</p> <p>Land</p> <p>Continent</p> <p>Atlas</p> <p>Locate</p> <p>Country</p>
	<p><u>Retrieval Practice Questions</u></p> <p>Last week:</p> <p>Last term: Can you circle the school on the aerial map?</p> <p>Last year: What country do we live in?</p>			

Wk 2	<p>What are the four seasons?</p> <p><i>LI: To identify seasonal changes in the UK.</i></p>	<p>Human and Physical Geography</p> <ul style="list-style-type: none"> To know the four seasons of the UK. To know that 'weather' refers to the conditions outside at a particular time. 	<p>Human and Physical Geography</p> <ul style="list-style-type: none"> Describing how the weather changes with each season in the UK. Describing the daily weather patterns in their locality. Confidently using the vocabulary 'season' and 'weather'. 	<p>Season Weather Locate Climate Map</p>
	<p><u>Retrieval Practice Questions</u></p> <p>Last week: What are the four countries in the UK?</p> <p>Last term: Which map represents your classroom? Circle the correct map.</p> <p>Last year: Tick the flag that represents England</p>			
Wk 3	<p>What are the compass directions?</p> <p><i>LI: To identify the four compass directions.</i></p>	<p>Geographical Skills and Fieldwork</p> <ul style="list-style-type: none"> Simple directional language (e.g near, far, up, down, left, right, forwards, backwards). That a compass is an instrument we can use to find which direction is north. Which direction is N, S, E, W on a map. 	<p>Geographical Skills and Fieldwork</p> <ul style="list-style-type: none"> Beginning to use the compass points (N, S, E, W) to describe the location of features on a map. Responding to instructions using directional language to follow routes. Using directional language to describe features on a map in relation to other features (real or imaginary). 	<p>Location Direction Locate Compass</p>
	<p><u>Retrieval Practice Questions</u></p> <p>Last week: What is the warmest season? What is the coldest season?</p> <p>Last term: What do these symbols represent?</p> <p>Last year: Tick the flag that represents Kenya (23-24)</p>			
Wk 4	<p>What is the weather like today?</p> <p><i>LI: To investigate daily weather patterns.</i></p>	<p>Human and Physical Geography</p> <ul style="list-style-type: none"> To know the four seasons of the UK To know that 'weather' refers to the conditions outside at a particular time. To know that weather conditions can be measured and recorded. 	<p>Human and Physical Geography</p> <ul style="list-style-type: none"> Describing how the weather changes with each season in the UK. Describing the daily weather patterns in their locality. Confidently using the vocabulary 'season' and 'weather'. 	<p>Rain gauge Temperature Season Thermometer Weather Weather Vane</p>

	<u>Retrieval Practice Questions</u> Last week: What are the four compass directions? Last term: Show where the hall is on the school map. Last year: What is the weather like in Kenya? (23-24)			
Wk 5	Is the weather the same everywhere in the UK? <i>LI: To identify daily weather patterns in the UK.</i>	Locational Knowledge <ul style="list-style-type: none"> To know that the UK is short for 'United Kingdom'. To know that the United Kingdom is made up of four countries and their names. To know that a country is a land or nation with its own government. Human and Physical Geography <ul style="list-style-type: none"> To know that 'weather' refers to the conditions outside at a particular time. To know that different parts of the UK often experience different weather. To know that a weather forecast is when someone tries to predict what the weather will be like in the near future. Geographical Skills and Fieldwork <ul style="list-style-type: none"> To know which direction is N, S, E, W on a map. 	Locational Knowledge <ul style="list-style-type: none"> Locating the four countries of the United Kingdom (UK) on a map of this area. Beginning to locate the capital cities of the four countries of the UK on a map of this area. Showing on a map which country they live in and locating its capital city. Human and Physical Geography <ul style="list-style-type: none"> Describing how the weather changes with each season in the UK. Confidently using the vocabulary 'season' and 'weather'. Describing the daily weather patterns in their locality. Geographical Skills and Fieldwork <ul style="list-style-type: none"> Using an atlas to locate the UK. Using an atlas to locate the four countries in the UK. Beginning to use the compass points (N, S, E, W) to describe the location of features on a map. 	Map Location Capital city Compass Season Atlas Locate Direction Weather
	<u>Retrieval Practice Questions</u> Last week: Draw the weather symbol to show how the weather has been this week. Last term: Label the map of the playground Last year: Which country is warmer? England or Kenya? (23-24)			

Wk 6	<p>How do people prepare for the weather?</p> <p><i>L1: To understand how the weather changes with each season.</i></p>	<p>Human and Physical Geography</p> <ul style="list-style-type: none"> To know the four seasons of the UK. To know that different parts of the UK often experience different weather. To know that 'weather' refers to the conditions outside at a particular time. 	<p>Human and Physical Geography</p> <ul style="list-style-type: none"> Describing how the weather changes with each season in the UK. Confidently using the vocabulary 'season' and 'weather'. Describing the daily weather patterns in their locality. 	<p>Locate Season Weather Capital city Climate</p>
	<p><u>Retrieval Practice Questions</u></p> <p>Last week: Circle the capital city of England. Edinburgh London Cardiff</p> <p>Last term: What feature would you change/add in the playground? Why?</p> <p>Last year: Circle the pictures that represent Kenya. (23-34)</p>			
	<p>WOW Experience Days</p>	<ul style="list-style-type: none"> Walk around the park to discuss weather and seasonal changes
