

Year 2 Newsletter Autumn 2

ENGLISH

Fiction – Story writing based on the BBC Christmas advert 'My Christmas Star'

Poetry – Firework Kenning Poem

Non-fiction – Letters to Santa and diary entry

MATHS

Number – addition and subtraction (2)

Geometry – properties of shape

SCIENCE –

Living Things and their habitats. Children will explore and compare the differences between things that are living, dead, and things that have never been alive. They will learn how to identify and name a variety of plants and animals in their habitats.

GEOGRAPHY - Would you prefer to live in a hot or cold place?

Children will recognise the features of hot and cold places and locate some countries with hot or cold climates on a world map.

PSHE - Celebrating differences

The children will learn to show respect for similarities and differences. They will also learn about being unique and Anti-bullying.

Art Drawing: Tell a story

The children will create different textures through drawn marks to retell a story.

KETTERING PARK
INFANT ACADEMY

PE - Fundamentals

The children will develop the fundamentals skills of balancing, running, changing direction, jumping, hopping and skipping.

COMPUTING - Creating media and e-safety

The children will learn how to create digital photography and how to keep safe online.

RE – Christianity

Why do Christians believe God gave Jesus to the world?

Music -

This unit will be based around five of the movements from Carnival of animals. Pupils will explore ways the composer has used instruments, rhythm, articulation, tempo and pitch to create pictures of the animals in our imaginations.
