

Year 1 Newsletter Spring 2

ENGLISH

Narrative – The Way back home

Narrative – Song of the sea

MATHS

Addition and subtraction within 20.

Place value within 50.

Length and height.

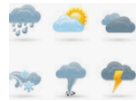

SCIENCE – Plants

The children will learn about seeds growing into plants and learn different parts of a tree and plant. They will understand that different plants can grow in the same environment and record the growth of a plant.

Geography – What is the weather like in the UK?

Children will learn about the different seasons and weather in the different parts of the UK..

PSHE - Health and well being

The children will learn ways to be healthy and understand about how we change as we grow..

Art – Sculpture – 3D pictures

Children will develop skills in creating 3D structures and applying painting skills in three-dimensional art, enhancing their understanding of form and construction.

PE – Dance

The children will explore travelling actions, movements and balances to create a dance sequence.

COMPUTING – Data and information

The children will use labels to put objects into groups, and label these groups. They will then begin to demonstrate their ability to sort objects into different groups, based on the properties they choose.

RE – Easter

The children will learn about why Jesus is important to some people and about the significance of Easter. They will learn and retell the Easter story.

Music – Dawn from sea/Musical conversations

The children will listen to contrasting pieces and discuss. They will compose music using percussion instruments.
