

Year 1 Newsletter Autumn 1

ENGLISH

The children will be using their phonics knowledge to write words before forming a sentence. They will use the text 'Old Bear' to create a list poem and a lost toy poster. Children will be practising writing different letters in handwriting and also learning how to use 'and' in a sentence.

MATHS

Place Value within 10

Addition and subtraction within 10.

2D and 3D Shapes

SCIENCE – Animals Including Humans; All about me

The children will learn the different parts of their body as well as what each part does.

HISTORY – How am I making History?

Children will reflect on different times of their life so far and find out how to know more about their history. They will explore how we remember events and find out about childhoods in the past. They will then compare how childhoods have changed over time.

COMPUTING – Computing Systems and Networks – Technology Around us

The children will find out what is technology, what technology is around us, use a mouse to create pictures online, use a keyboard to type their name and learn how to be safe and healthy when using technology in and beyond the home.

PSHE – Me and my Relationships

Children will understand why we have classroom rules and how we listen. They will learn about feelings and how they effect our bodies. They will understand what makes a good friend.

KETTERING PARK
INFANT ACADEMY

RE - How do people know how to treat each other?

The children will describe how people show care and kindness, know how Jews teach people they are special, how Christians teach people they are special and how we help our community.

DT - Mechanisms – Moving Pictures

The children will explore slider and lever mechanisms before designing and making a moving story book of Humpty Dumpty.

PE – Team Building

The children will communicate with partners to solve challenges, listen to instructions carefully, use communication skills to lead a partner and communicate with groups to solve challenges by listening to others before making a plan.

Music – Menu Song

During this unit the children will create a dramatic class performance by singing a song from memory and remembering the order of the verses. They will listen and move in time to the song and play instruments to the beat.
